JOB POSTING

TITLE:	Intern Forester	DATE:	October, 2019
REPORTS TO:	Area Manager	FT/PT:	Full-time Summer 2020
LOCATIONS:	Poulsbo, WA and Chehalis, WA		

OVERVIEW:

Olympic Resource Management, a subsidiary of Pope Resources, is a dynamic and growing timber company in the pacific northwest offering two internship positions for the summer of 2020. We are looking for current students pursuing degrees in forestry, or recent graduates, for these two opportunities. Individuals with a passion for the forest industry and a desire to advance in the field are encouraged to apply. This is an exciting opportunity to join a dedicated, highly engaged team of people who genuinely enjoy what they do in a hands-on position that could lead to future opportunities.

GENERAL RESPONSIBILITIES:

- Assist in performing technical functions in silvicultural operations that may involve site preparation, pre-commercial thinning, and young plantation stocking survey.
- May observe negotiation of contracts and supervision of contract crews.
- Assist with harvest unit and road layout (property line reconnaissance and identify locate and mark timber harvest boundary lines).
- Cruising: Cruise forest land by foot to estimate volume of marketable timber. Assist in the collection of data concerning forest conditions for appraisal, sales, administration, logging, land use, and forest management planning.
- Assist Forester in collecting cruise data and prepare summary reports of timber types, sizes, condition, and outstanding features of area, such as existing roads, streams, and lakes.
- Varied field environment working independently under the guidance of an experienced forester, outdoors most of the time (up to 90%); at times in inclement weather.

CORE COMPETENCIES:

Experience with or a working knowledge of GIS/GPS technology, silviculture, timberland cruising, an understanding of statistics and a strong work and stewardship ethic preferred.

Ability to work independently as well as demonstrated interpersonal/team skills. Effective written and oral communication. Computer literacy with spreadsheets and word processing software desirable.

Must be a licensed and insurable driver in relevant state of base operations and able to safely operate a chainsaw with minimal training.

COMPENSATION / APPLICATION PROCESS:

We pay a competitive hourly wage to interns including a monthly living stipend. Internships are approximately three months in length and include eligibility for company medical/dental/vision coverage following 60 days of employment as well as immediate eligibility for 401(k) savings and sick leave.

If you are interested in joining an organization where you can learn a variety of skills, that values resourcefulness, stewardship of the land, sustainable growth and teamwork, send your resume and cover letter to jobs@orminc.com.
